

NIHR INSIGHT Programme North West

Inspiring Students into Research

Do you have a role in healthcare, social work, or public health?

Are you interested in how research can inform and enhance your practice?

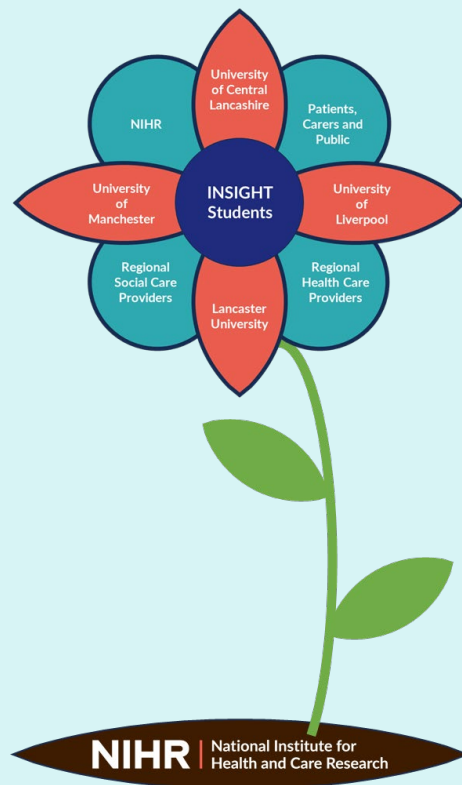

The NIHR INSIGHT Programme North West is for you. Over three years we have funding to support:

- 30 Research Master's Studentships* each year
- 6 Master's Programmes at 4 Northwest Universities
- full and part-time study routes
- dissertation with a leading researcher
- a programme of research engagement activities

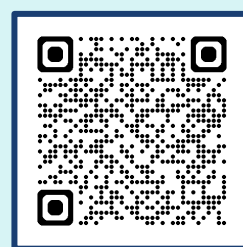

UPDATED Eligibility Criteria

- Newly qualified or early career professionals† including :
 - Recent graduates from a health and social care undergraduate programme (including those graduating in summer 2024)
 - Those who have been working in practice for **up to 5 years** (since 2019)
- Applicants must meet the entry requirements of the master's course for which they apply, *see website for details*
- Applicants must have recently completed, or be working towards, professional registration with an eligible body, *see website for details*
- Dentists and doctors are not eligible to apply

ROUND 1 EXTENDED!
